The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgement.

This "Discovery" is a pure, glyceric extract of American medical roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrappers. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven remedy of known composition. Ask your neighbors. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

NOT WHAT IT SHOULD BE

The price of tobacco is too low and very disappointing and discouraging to growers of the weed. Yesterday a tenant on Judge W. H. Rice's farm sold his crop of 2,430 pounds at the Farmers War-house in the East End and received the meager sum of \$156 for his year's toil and hard labor—an average of \$6.45 per hundred.

With present high prices for the actual necessities of life and the extremely low prices received for their tobacco, the poor farmer cannot have a gloomy outlook for a visit from old Santa Claus this Christmas.

Mason Circuit Court.

In the case of John Jonsson, who was given a judgment of \$3,000 against the Chesapeake and Ohio Railway Company, an appeal was granted the defendants to the Court of Appeals, and was given to the tenth day of the next term of Court to prepare their bill of exception.

In the case of Frank C. Morrison against R. A. Carr, on motion of plaintiff, the suit was withdrawn.

In the cause of H. C. Herndon against Omar Dodson, the defendant produced his written motion to require the plaintiff to submit himself to a physical examination by three competent physicians and surgeons of Maysville, which was ordered to be filed. The Jury was dismissed until Monday and Court adjourned until 9 a. m. on said day.

Don't Wait Till It's Too Late—Follow the Example of a Maysville Citizen

Rescue the aching back. If it keeps on aching, trouble comes. Backache is kidney ache. If you neglect the kidneys' warning, Look out for urinary trouble—diabetes.

This Maysville citizen will show you how to go to the rescue.

M. C. Chisholm, 317 East Second street, Maysville, Ky., states:

"The cure Doan's Kidney Pills effected in my case some years ago has been permanent, and the public testimonial I then gave in their favor still holds good. I was bothered a great deal by too frequent passages of the kidney secretions, this weakness being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Drugstore, and had taken them only a short time before I noticed a marked improvement. They soon cured me, and I have since learned of several other cases where they have been used with good results."

Our Weekly Tobacco Letter

Our sales this week have been the largest of the year, aggregating 504,350 pounds. The quality of the offerings was decidedly the commonest that we have yet had, very much of it being so very common as to be almost unmerchantable, being short, green, dirty tips and house-burnt flyings. Much of the tobacco was out of condition, being wet and having fat stems, and in consequence the price on these common types have been very low and have caused some disappointment and rejections. Wherever tobacco has ever had any character or merit it has sold well. Most of our tobacco to date has been from the mountain sections, but tobacco we have sold from Mason, Bracken, and Brown county, O., have shown decidedly more character and have sold better.

In our weekly letters we propose to deal frankly, and when dissatisfaction is expressed we propose to advise our friends and patrons and those interested in the market, as we have done in the first part of this letter. We believe, however, that when farmers have these extremely common tobaccos they should recognize the fact and expect to sell very common tobacco at very common prices, as is the case in wheat, corn or other commodities when same is of an inferior quality.

Our market will close during the holidays for only one day, Monday, December 26th, 1910. Our sales are held daily, Saturday excepted, and from present prospects we expect to have a larger amount on sale the coming week, and trust same will be of better quality and character, and if such is the case we have no hesitancy in promising those selling tobacco a strong market and swift recovery prices.

MAYSVILLE LOOSE LEAF TOBACCO MARKET.

SAVED SELF AND DAUGHTER

VATTOON, Ill.—"All you allow me for the benefit of others who may be in the same condition as I was to make a statement in this paper."

"I was in very poor health for years, weak, ailing and all run-down, and had lost in weight until I only weighed ninety pounds. I had been under a physician's care, without any benefit, for so long I was discouraged. About a year ago I decided to try a tonic called Vinol, concerning which I had heard many favorable reports. I commenced to gain, and increased in weight until I now weigh 127 pounds, am in perfect health—and never felt better in my life."

"Then, my daughter who lived in Martinsville, Ind., was an invalid, and no encouragement was held out for her recovery. After my experience with Vinol, we went to Martinsville and brought her to Wattoon, as she was helpless. When we got her here I put her on Vinol, with the same good results from its use which I had—she gained in weight, and today she is well and strong and feels better than she ever did in her life." Mrs. O. W. Watrous. (We guarantee this letter is genuine.)

We have for years recommended Vinol as a grand tonic and body builder, and every year we gain more and more faith in its wonderful virtues. It is simply the best and simplest tonic restorative we know of. John C. Pecor, Druggist, Maysville, Ky.

SOME TURKEYS

Flemingsburg Times-Democrat.

Brent & Lynch have closed the turkey season here, having killed about 13,000 in all for the Eastern market. A great many were driven to Marshall Station and quite a lot shipped in coops. The crop in this county was about an average one.

It is estimated that the Thanksgiving and Christmas dressed turkeys exported from Kentucky this season amount to over 100,000, which were worth at least \$300,000.

Big Christmas values at Schatzmann's.

FORTUNES IN ONIONS

Raising onions is as uncertain as playing a game of chance, but several men made fortunes this season on the Scioto marsh in Ohio. A colored man who purchased a \$15,000 farm on credit last year has been able to pay \$8,000 on his investment as a result of this year's crop. This year's crop reached 1,000,000 bushels, which brought an average price of 45 cents per bushel. For the last 10 years, until this season, the total number of carloads shipped out of Hardin county, Ohio, amounted to 1,200 cars. This year the total was over 2,000 cars. This yield of onions came from approximately 2,000 acres.

A WOMAN'S APPEAL

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuralgia pains, to write to her for a home treatment which has repeatedly cured all of these tortures. She feels it her duty to send it to all sufferers FREE. You cure yourself at home, as thousands will testify—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. SUMMERS, Box R, South Bend, Ind.

WHAT WILL WE GET FOR THE MEN?

Is a question that is often asked at this season. We know the difficulty presented by this problem and have made special preparations to help you solve it satisfactorily. It seems to be quite clear that the best present you can give him is to give him something he wants. The best place to get it is to get it where he gets what he wants. This store is that sort of a place, full of things a man wants, big things, such as Suits and Overcoats; small things, such as Shoes, Hats, Caps, Sweater Coats, Gloves, Shirts, Neckwear bought especially for the Xmas trade, Hosiery, Collars, Cuff Buttons and Scarf Pins. We can hardly include in so small a space all the good things we have and our prices are right. Anything you get here that isn't satisfactory may be returned.

FAT GEESSE FOR NEW YORKERS

The Keystone Commercial Co. yesterday afternoon shipped 1,600 fat live geese to the New York market for the Christmas dinners of wealthy Hebrews. There were besides 100 dressed geese in the express car, while the live ones had a stock car all to themselves, in coops and stacked to the roof.

Mr. Everett Brightman, the poultry expert handler, went along and will accompany the chattering fowls to New York, and will feed and attend to them en route.

A few weeks ago Mr. Brightman took a big carload—over 2,000—fat geese to the same city, and, strange to relate, although delayed 24 hours at Cincinnati and Columbus, when he reached New York there was only one dead goose in the entire lot. That's a remarkable record when it is considered that the distance is nearly 900 miles and most of the journey was spent by Mr. Brightman in an open goose car and the time required was over 72 hours. The same firm will also ship a carload of dressed turkeys to New York today.

A NOTORIOUS CHARACTER

Charged With a Grave Offense—If Guilty Should Receive the Limit

Yesterday afternoon a warrant was issued from Judge Rice's court for the arrest of one Samuel Marvin, a notorious character, residing in Oklahoma, on a most aggravated charge.

The warrant was sworn to by Mr. John T. Smith, a member of the Board of Education and one of Maysville's most reputable citizens.

It is related that Marvin, who has served a term in the Penitentiary at Frankfort visited the home of Mr. Smith in Forest avenue and made insulting remarks in the presence of his wife, who was alone at the time.

The warrant was placed in the hands of Deputy Sheriff M. Brown for execution and together with Mr. Omar F. Brown was arrested and placed in jail. While on the way to jail he told the officer that he was the worst man that ever went to the pen.

Called To Pastorate

Rev. J. W. Haymore of Prestonburg, Ky., has received a call as Pastor of the First Baptist Church of this city. UNION LEAGUE

Christian Endeavorers Hold Fine Meeting at First M. E. Church, South

The annual Pious Party of the Union League of Christian Endeavor was held last evening in the parlor of the First M. E. Church, South. Most of the Young People's Societies of the city were represented and a large crowd present. A very substantial donation of pounds was given for the help of the worthy poor.

This is the beginning of a New Year for the U. L. C. E. and Mr. William Baldwin is to be congratulated upon the success of this first meeting under his Presidency.

The program as published yesterday was very pleasingly rendered and much enjoyed. Miss Bell spoke briefly of the work being done in our city for the poor and asked the help of the ladies present in furnishing home-made candy for the Christmas treat, which was gladly promised.

The former President, Mr. J. H. Richardson, was called upon for a speech and spoke briefly upon his interest in the work of the U. L. C. E. and his willingness to help.

The banner for attendance was awarded to the Epworth League of the First M. E. Church, South, they having 66% of their membership present.

Refreshments were served at the close by the Social Committee.

WHILE THE PUBLIC LEDGER recognizes the staunch patriotism and the sterling worth of ALDRICH, LODGE and CANNON and their great work for protection and the Republican party, yet we recognize the fact that they are not in touch with the sentiment and the trend of these strenuous "show me" days. The Republican party has scores of brilliant statesmen who are just awakening to the fact that this is the twentieth century and that public opinion never was so vigilant as in this wonderful era. In these days the mossbacks and non-progressives of all parties are politely invited by the voters to go way back and sit down and if they don't at once take the hint the gentle fool killer comes along with his stuffel club and taps a few common-sense ideas into his nozzin.

A WEAK WOMAN AND HER STORY

In Floral, Ark., Lives a Lady Who Feels That Her Strength Was Restored by Cardui.

Floral, Ark.—"I must speak a good word for Cardui," writes Mrs. Viola Baker, of this place.

"About a month ago I was in very bad health. I was so weak and nervous that I was not able to do my housework."

"My husband bought me one bottle of Cardui, the woman's tonic. I took it according to directions and now I am in good health."

"I think Cardui is a fine tonic for weak women."

And you are not the only lady who thinks so, Mrs. Baker.

Thousands, like you, have written to tell of the wonderful benefit Cardui has been to them.

Cardui contains no minerals, or other powerful drugs. It contains no glycerin or other mawkish-tasting ingredients.

It is just a pure, natural extract of natural vegetable herbs, that have been found to regulate the womanly functions and strengthen the female system.

All druggists sell Cardui. See yours about it.

On the Wrong Train

Two prominent Maysville ladies were in Cincinnati yesterday. After their rounds through the shopping districts, and buying a bountiful supply of Christmas goods, they wended their way to the depot to return to this city. In some way they were switched onto a Chicago train and the mistake was not discovered until the dim lights of the city were fast fading from view. There was consternation for a moment; the Conductor was informed of their dilemma and he very courteously stopped the train and let them off. They boarded an interurban car for the Cincinnati depot and caught the late train for home, tired and weary of the day's incidents.

And don't forget that I am selling Perfection Flour, which stands at the top as a strictly high-grade Flour, at the very low price of \$5.25 per barrel. Another big shipment, direct from the plantation where made, of Fancy New Crop Molasses; also, Fancy Greenup County Sorghum. These goods can't be beat in any market. I have also a big supply of FIREWORKS, which will be sold at very low prices. A special invitation is extended to every one to visit my store, and to wish a merry Christmas and a happy and prosperous New Year.
